WORK EXPERIENCE

CEO & Founder Codefed Technologies

06/2024 - Present Pakistan

We offer a comprehensive suite of digital services designed to drive innovation and business growth. We specialize in web development, mobile app development, software solutions, UX/UI design, E-commerce development, digital marketing, graphic design, and cutting-edge technologies such as Artificial Intelligence (AI), Machine Learning (ML), and Generative AI (GenAI).

Freelancer Local & International Projects

09/2019 - Present Pakistan & International

I have worked with a diverse range of clients, providing high-quality, custom web solutions that enhance user engagement, drive business growth, and optimize digital experiences. I specialize in creating responsive websites, web applications, and e-commerce platforms, focusing on performance, functionality, and seamless user interaction.
